TEMPORARY SUPPLEMENT

If you retire before the age of 62 and you are eligible to collect a Social Security (SS) benefit at age 62, please provide SDCERA with an estimate prepared by SS to see the amount available to you for the Temporary Supplement. Visit www.socialsecurity.gov or call 800.772.1213 to get an estimate. The estimate you obtain from SS should reflect the benefit you would be eligible to receive at age 62 based on the expectation that you stop working on your retirement date. If you provide an estimate from SS that shows you will work after your retirement date (e.g., up until age 62) and you do not work until age 62, your actual SS benefit will be different than what is shown on your estimate.
